

Davenport Crocker's Mission Statement

*The circumstance amid we live determine our reputation;
The truth we believe determines our **character**.*

This is what I believe:

Reputation is what we are supposed to be;
Character is what we are.

Reputation is our picture;
Character is our face.

Reputation comes from others outside of ourselves;
Character comes from inside each of us.

Reputation is what we have when we come to a new community;
Character is what we have when we go away.

Our **reputation** is learned in an hour;
Our **character** does not come to light for a year.

Reputation is made in a moment;
Character is built in a lifetime.

A single post might give us a **reputation**;
A lifetime of work gives us our **character**.

Reputation makes us rich or makes us poor;
Character makes us happy or makes us miserable.

**Trust My Reputation
Count On My Character**
